IT 18 A FACT NOT GENERALLY KNOWN that by a recent arrangement of the Post Office, small quantities of meychandise are now conveyed at charges considerably less than those of the express companies. The cost on one pound of tea being 8 cents only. The New York and Oriental Tea Company is taking advantage of THIS EXTRAORDINARY FACILITY and is supplying its customers in all parts of the United States with the finest teas ever imported at

WHOLESALE PRICES. REASONS WHY you should order your eas from the New York and Oriental Tes

teas from the New York and Oriental Tea Company.

1st. Because the Company deals only in PTRE UNDULTERATED TEA, It is well known that immense quantities of so-called "Tea" adulterated with the leaves of the Willow. Hawthorn, and other trees, and even small stones, particles of lead and steel fillings, besides coloring matter, are sent over the country and sold at enormous prices as "Tea!"

The buyers of the New York and Oriental Ten Company, can, by a NEW PROCESS, not generally known, detect the presence of adulteration in all its forms; and the Com-pany will continue to maintain the high character it has hitherto sustained, by sell-ing none but

GENUINE TEA.

2d. Because our command of capital enables us TO IMPORT LARGELY FOR CASH, and thus to sell cheap. We buy all our Teas at the ports of China and Japan, and thus save many intermediate profits and charges.
3d. Because we have inaugurated a NEW SYSTEM OF BUSINESS, originated a NEW IDEA.

HDEA.

We save the profits of the middlemen and give them to our customers, by sending direct to any address, the finest qualities of Tea at Wholesale Prices.
